

40 METRE YACHT

SUNSEEKER 40 METRE YACHT

SUNSEEKER YACHT

Style: Tri-deck luxury yacht

Accommodation: Up to 12 guests and 9 crew members

Tender and toys: Garaged

Drives: Shafts

Performance: Up to 25 knots

Testament to the ingenuity and innovation of Sunseeker's extensive and deeply experienced design team, the Sunseeker 40 Metre Yacht still retains the title of largest composite-built yacht achieving MCA LY2 Unrestricted classification under 350 gross tonnes. This means the highest levels of construction and serious ocean capability with, of course, commercial coding for practical charter work and high residual value.

The Sunseeker 40 Metre Yacht allows extensive customisation from cabin plans right down to touchpad lighting systems, while benefitting from a well proven engineering platform and recommended, tried and tested systems. Sunseeker also welcomes working with clients' own interior designers and stylists.

Personalisation of this handsomely profiled tri-deck design continues with choice of saloon and forward master suite balconies and a wide range of furnishing configurations for the expansive flybridge above.

*Every attempt has been made to give accurate information, but performance and range figures are estimates given as a guide only. Dirt or growth on the hull, tuning of the engines, size, make of engines fitted, damage to propellers, the temperature of the air and water, the weight of fuel, water, stores, number of people, propeller pitch, quality of fuel and other matters, can all affect a boat's performance and range. For these and other reasons we can give no performance, range or other guarantees, and neither such guarantees nor anything contained herein constitutes an offer of contract or any representation or agreement, or may otherwise be relied upon. The photographs and artist's impressions in this brochure are from existing models in the Sunseeker range. There may be items shown in these photographs and artist's impressions that are not included in the standard inventory of the models shown. Specifications contained in this brochure are provisional only and should not be relied upon and may refer to models only intended for sale in a particular territory and not generally. No guarantee is given that any model will be available in any territory; however by contacting us we can advise you of models that are likely to be available in each territory. In some examples herein we have referred to measurements, specifications or other details applicable to a particular territory and no guarantee is given that these are applicable to your territory. Actual specifications will be provided when a sales order or enquiry is placed with us or our approved Sunseeker distributor. Specifications for models sold in different markets may vary and specifications and models may be changed or withdrawn at any time without prior notice. The individual specification for each vessel will be agreed as part of the sale contract between the purchaser and the Sunseeker distributor. Distributors are independently owned and operated entities, and therefore Sunseeker distributors are not owned by Sunseeker International Limited or any subsidiaries or other related entity of this company nor are they their agents. Therefore they have absolutely no authority to commit Sunseeker International Limited, or any subsidiary or other related entities of Sunseeker International Limited to any pledge, contract or agreement in any form or by any means unless first accepted in writing by Sunseeker International Limited. For ease of reference we have, in some cases, referred to "we" or "Sunseeker" and these terms should be taken to mean Sunseeker International Limited.
