- 19.5 For the purpose of this clause 19, the meaning of prevention procedures and associated persons shall be determined in accordance with sections 44(4), 44(5), 45(3) and 46(4) as applicable of the CFA 2017 (and any guidance issued under section 47 of the CFA 2017).
- 19.6 Sunseeker may terminate the Agreement immediately upon notice in the event of a breach of this Condition 19 by the Supplier.

20 INTELLECTUAL PROPERTY RIGHTS

- 20.1 All Intellectual Property Rights in any Specification or other information or documentation that either Party develops under or in connection with the Agreement will vest absolutely in the developing Party or such other person(s) as it may direct provided that the Supplier irrevocably licenses Sunseeker to use the Supplier's Intellectual Property Rights in the Goods and Services for the purposes of designing, constructing and/or fitting out, repairing and maintaining Sunseeker's product for its end purchaser.
- 20.2 Notwithstanding Condition 20.1, all Intellectual Property Rights and title in any drawings, plans or designs for a bespoke design ordered for Sunseeker, shall vest absolutely in Sunseeker on delivery.
- 20.3 The Supplier will not, in breach of Sunseeker's Intellectual Property Rights (or otherwise unlawfully), manufacture, distribute or sell to any third party products which are the same as, or materially similar to, the Goods.

20.4 The Supplier shall not use Sunseeker's name or trade marks in any marketing or promotional material, stationery, vehicles or on its website without the express prior written consent of Sunseeker.

21 SUNSEEKER'S MATERIALS

21.1 If the Supplier has any items (including without limitation, tooling, templates, mould tools, samples, drawings, equipment, data and documents showing technical information) supplied by Sunseeker for the purposes of fulfilling the Agreement ("**Materials**") the Materials will at all times remain the property of Sunseeker and shall be clearly marked as such and stored by the Supplier apart from its own property.

21.4 The Supplier may use the Materials for the purposes of the Agreement only and in particular, may not use the Materials for the supply of goods or the provision of services to any other person. For the avoidance of doubt, this shall prevent the supply of goods and/or provision of services by the Supplier in which the Supplier uses the Materials, to a Sunseeker distributor or an end purchaser, either directly or indirectly, without the prior written consent of Sunseeker.

22 CONFIDENTIALITY

22.1 Both parties acknowledge that, during the term of the Agreement, they may have access to Confidential Information in respect of the other party. Each party shall:

22.1.1 use any Confidential Information belonging to the other party solely for the purposes of performing its obligations under the Agreement; and

22.3 The provisions of this Condition 22 shall survive the expiry or termination of the Agreement howsoever arising.

22.4 The Supplier may be required to enter a separate Confidentiality Agreement, in which case, that Confidentiality Agreement shall take precedence over the above provisions of this Condition 22 and shall form an integral part of the Agreement.

23 DATA PROTECTION

23.1 In these Conditions, unless the context otherwise requires, the terms **controller, processor, processing/process, personal data** and **data subject** shall be interpreted and construed by reference to Data Protection Law.

23.2 The Personal Data processing activities contemplated by the Agreement are set out in the Annex to these Conditions. Sunseeker may from time to time, by written notice to the Supplier, make such amendments to the Annex as Sunseeker reasonably considers necessary to meet the requirements of Data Protection Law. Nothing in the Annex (including as amended pursuant to this Condition 23.2) confers any right or imposes any obligation on any Party to the Agreement. The provisions of this Condition 23 shall apply notwithstanding any error or omission in the Annex (including as amended pursuant to this Condition 23.2).

23.3 The Supplier shall comply with its obligations under Data Protection Law when processing Personal Data.

23.4 The Supplier shall only process the Personal Data for the purposes of performing its obligations under this Agreement and in accordance with the written instructions given by Sunseeker, unless the Supplier is subject to an obligation under applicable law of the UK, European Union or a member state of the European Union to do otherwise, in which case the Supplier shall notify Sunseeker in advance of that legal obligation (unless prohibited by that law on important grounds of public interest). The Supplier shall notify Sunseeker immediately if, in the Supplier's opinion, an instruction from Sunseeker breaches a requirement of Data Protection Law.

23.5 The Supplier shall at all times process the Personal Data in a manner that ensures appropriate security of the Personal Data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical and organisational measures. The Supplier shall ensure that, at a minimum, the measures required under this Condition 23 meet the standard required by Data Protection Law, including Article 32 of the GDPR.

23.6 The Supplier shall ensure that all personnel with access to Personal Data are subject to a contractual duty of confidence to hold the Personal Data in strict confidence and only process the Personal Data in the manner permitted by this Condition 23.

23.7 The Supplier shall, at Sunseeker's request and in accordance with Sunseeker's instructions, assist Sunseeker: (i) in responding to, and complying with, all data subject rights requests relating to the Personal Data (each a **Request**), including by providing to Sunseeker such assistance as is contemplated by Article 28(3)(e) of the GDPR; and (ii) in ensuring compliance with the obligations in Articles 32 to 36 of the GDPR (and equivalent requirements of other Data Protection Laws). The Supplier shall promptly (and in any event within twenty four (24)

hours) notify Sunseeker of each Request it receives and shall not respond to the Request, except as instructed by Sunseeker.

- 23.8 The Supplier shall promptly (and in any event within twenty four (24) hours) notify Sunseeker in writing of each personal data breach (as defined in the GDPR) of which it becomes aware. The Supplier shall (to the extent feasible) ensure that the initial notification contains the information required under Article 33(3) of the GDPR and such other information as Sunseeker may require. The Supplier shall take such steps and provide such support, assistance and information to Sunseeker as Sunseeker requires to deal with and respond to the personal data breach, including conducting a full investigation and taking steps to contain and mitigate the impact of the breach.
- 23.9 The Supplier shall not transfer, access or process the Personal Data outside the Safe Countries, except where expressly authorised by Sunseeker in writing to do so and after taking such steps as are requested by Sunseeker to ensure that the transfer, access or processing complies with Data Protection Law.
- 23.10 The Supplier shall not subcontract the processing of Personal Data to a subprocessor without the prior written consent of Sunseeker. In the event that Sunseeker provides its consent, the Supplier shall (prior to the subprocessor processing the Personal Data) enter into an agreement with the subprocessor on terms that provide at least the same level of protection for the Personal Data as this Condition 23.3 and meet the requirements of Data Protection Law; the Supplier shall ensure that the agreement remains in force for the duration of the subprocessor's processing of Personal Data. The Supplier shall remain fully liable for the acts and omissions of each subprocessor.
- 23.11 The Supplier shall (at Sunseeker's option) securely return to Sunseeker or securely destroy the Personal Data, together with all copies in any form and in any media, in the Supplier's power, possession or control promptly following the earlier of: (i) termination or expiry of the Agreement; or (ii) a request from Sunseeker.
- 23.12 The Supplier shall provide Sunseeker with all information requested by Sunseeker to enable Sunseeker to verify the Supplier's (and each subprocessor's) compliance with this Condition 23. Without prejudice to the foregoing, Sunseeker shall be entitled to inspect, test and audit or appoint representatives to inspect, test and audit, all facilities, premises, equipment, systems, documents and electronic data relating to the processing of Personal Data by or on behalf of the Supplier and the Supplier shall cooperate and assist Sunseeker (and its representatives) with each inspection, test and audit.
- 23.13 Without prejudice to Sunseeker's other rights and remedies, in the event that Sunseeker identifies any non-compliance with this Agreement as a result of the exercise of its rights under Condition 23.12, the Supplier shall: (i) remedy the non-compliance and shall take such steps as Sunseeker reasonably requests for this purpose; and (ii) reimburse Sunseeker for the costs and expenses incurred by Sunseeker in connection with the exercise of those rights.
- 23.14 If there is any inconsistency or conflict between any of the provisions of this Condition 23 and the other provisions of the Agreement, the provisions of this Condition 23 shall prevail to the extent required to enable the Parties to comply with Data Protection Law.

23.15 This Condition 23 shall survive termination or expiry of the Agreement.

24 FORCE MAJEURE

24.1 If either Party is affected by Force Majeure ("**the Affected Party**") it shall promptly notify the other Party of the nature of the Force Majeure and an estimate of the effects and likely duration thereof.

24.2 The Affected Party shall not be deemed to be in breach of the Agreement, or otherwise be liable to the other, for any delay in its obligations to the extent that the delay or non-performance is due to any Force Majeure of which it has notified the other Party provided that the Affected Party has not defaulted in performing the obligation before the Force Majeure event occurs.

24.3 The Affected Party shall use reasonable endeavours to continue to perform the obligation and shall promptly take steps reasonably required by the other Party to avoid or mitigate losses to that other Party arising from the delayed performance.

24.4 If the Force Majeure delay claimed by the Affected Party continues for a period in excess of 45 days, notwithstanding any other provision of the Agreement the other Party shall be entitled to terminate the Agreement upon not less than fourteen days' notice to the Affected Party, after which neither Party shall be under any liability to the other Party under the Agreement, except in respect of accrued rights.

25 LAW AND JURISDICTION

25.1 The Agreement and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

25.2 The parties irrevocably agree that the courts of England shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Agreement or its subject matter or formation.

26 DISPUTE RESOLUTION

26.1 If any dispute (including any non-contractual dispute) ("**Dispute**") arises out of or in connection with the Agreement, the parties agree to enter into mediation to settle the Dispute and will do so in accordance with the Centre for Effective Dispute Resolution ("**CEDR**") Model Mediation Procedure. Unless otherwise agreed between the parties within 14 days of notice of the Dispute, the mediator will be nominated by CEDR.

26.2 The commencement of mediation shall not prevent the parties commencing or continuing court proceedings in relation to the Dispute in accordance with clause 25.2 which clause shall apply at all times.

27 GENERAL

27.1 The Agreement contains the entire agreement between the Parties and supersedes all previous agreements and understandings between the Parties with respect to the Agreement.

- 27.2 No employee or agent of Sunseeker has the authority to vary these Conditions, which may only be varied in writing signed by a director of Sunseeker. Sunseeker shall be entitled to rely on the execution by any individual purporting to bind the Supplier to a Purchase Order or any variation of these Conditions, unless otherwise notified in advance by a director of the Supplier.
- 27.3 Except as set out elsewhere in the Agreement, a person who is not a party to the Agreement shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.
- 27.4 The Supplier shall not transfer, assign, sub-contract or sublet any part of the Agreement or any rights or obligations hereunder without the prior written consent of Sunseeker. Any such consent shall not release the Supplier from any of its duties and obligations under the Agreement. The Supplier shall remain responsible for the full and complete performance of its duties and obligations under the Agreement and shall require any transferee, assignee, sub-contractor or sub-licensee to comply with measures at least as stringent as those set out at Condition 19.
- 27.5 The Supplier shall not be entitled to create or do anything which will result in the creation of any lien, encumbrance, right of retention or any other kind of security over the Goods or in respect of the Services and will ensure that a similar condition is included in all contracts with its sub-contractors.
- 27.6 All notices under the Agreement shall be given in writing in the English language and sent by post or email addressed to the Parties, in the case of Sunseeker, at the Sunseeker Address and, in the case of the Supplier, at its address set out in the Purchase Order, or to such other address notified to the other Party. Day to day communications which do not constitute formal notice under the Agreement may also be given by email.
- 27.7 A waiver of any right under the Agreement is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. Failure by Sunseeker to exercise any of its rights under the Agreement or by law shall in no way constitute a waiver of these rights, nor shall such failure excuse the Supplier from any of its obligations under the Agreement.
- 27.8 Unless otherwise specified any rights arising under the Agreement are cumulative and do not exclude rights provided by law.
- 27.9 If any provision (or part of a provision) of the Agreement is held by any court or other competent authority to be void or unenforceable in whole or in part, the Agreement shall be varied so as to delete such provision (or part) and the remaining provisions of the Agreement shall continue to be valid and enforceable.
- 27.10 Neither of the Parties shall, during the continuance of the Agreement or for a period of one (1) year thereafter, procure or induce or attempt to procure or induce (either on its own behalf or on behalf of any other person, firm, company or group) any senior employee, officer or other personnel of the other Party who has been directly involved in the Agreement to leave the employment of that Party.
